MEMORANDUM FOR : Deputy Director of Central Intelligence  
FROM : S.D. Breckinridge  
SUBJECT : Proposed Letters to Potential Agency Witnesses

1. Action Requested: That you review the attached draft letters to present and former Agency employees for use in the near future.

2. Background: The question of preparing a notice to former employees about their non-authorization to testify on classified matters at public hearings had been considered earlier. Attached are draft letters prepared by the Office of the General Counsel.

3. My only problem with the letters is the last sentence in the next to last paragraph in each of them. I believe it desirable that the statement to the effect that the Agency will intercede in behalf of the employee be replaced by a statement that you or the Director, personally, will intercede in their behalf if necessary.

4. Recommendation: That the attached letters be reviewed for approval in the event that the decision is taken to send them to potential witnesses. Your particular attention to the question of intercession, as noted above, is requested.
